Mapei.

Adhesives, grouting products, sealants, screed mortars, primers, smoothing and skimming compounds and complementary products: choosing Mapei solutions means not only being certain of the end result, but also the availability of a support structure with the ability to anticipate requirements, problems and opportunities. Pretty reassuring when operating in a sector with activities ranging from installing and grouting ceramics, mosaics and natural stone on waterproofing layers in areas such as swimming pools, Turkish baths and the facades of residential properties and commercial buildings.

1. Adesilex P 9 High-performance, white cementitious adhesive with reduced slip, extended open time for glass mosaic, ceramic and marble coatings.

2. Keraflex Maxi S1 :High-performance cementitious adhesive with extended open time, reduced slip, very low emission level of volatile organic compounds for ceramic and stone tiles.

3. ULTRACOLOR PLUS is a high performance, quick-setting and drying cementitious mortar for grouting joints up to 20 mm wide. The new range of colours of ULTRACOLOR PLUS grouts brings out the beauty of any tiled surface and add a touch of originality to any setting. Designed to last and to keep surfaces hygienic and healthy, ULTRACOLOR PLUS is easy to apply and clean.
